

## **vacancy**

### **Synchronized Skating Coach (m/f/d)**

The Dresdner Eislauf-Club e.V. (Dresden Figure Skating Club) has a long-standing tradition and currently comprises approximately 250 members. It is our aim to further the competitive sports figure skating as well as synchronized skating.

Currently, there are four synchronized skating teams in Dresden. They participate in national and international competitions. Further, they represent our club at various show events. In previous years, our skaters have won several regional and national titles.

We are looking for a motivated coach to support our skating club as early as possible.

#### **Synchronized Skating Coach (m/f/d)**

*(maternity leave replacement with the option of a permanent position)*

#### **Area of responsibility:**

- Planning, coordination and execution of practice sessions with synchronized skaters (ice, off-ice, strength & conditioning)
- Choreography of a program in accordance with the current ISU Communications and Rules & Regulations
- Assistance in choosing and designing appropriate competition costumes
- Structuring the season in accordance with the competition schedule, travelling to team competitions
- Planning, organizing and conducting a training camp for all teams
- Acquisition of talented new skaters
- Engagement in events and shows of the club
- Organization of team building exercises/ events
- Regular communication with the parent(s)/guardian(s) of the of the younger athletes
- Execution of organizational activities in accordance with the area of work/responsibility

#### **Requirements:**

- At least a C-License (mass sports) issued by the German Skating Union (DEU) or an equivalent
- Experience coaching synchronized skating teams is advantageous
- High level of professional and social skills
- Enjoyment working with young skaters, ability to work collegially with colleagues, team managers and members of the board
- Flexibility, team working skills and the ability to work well under pressure

**What we offer:**

- Outstanding performance environment
- Support in professional development
- Substantial degree of personal responsibility and autonomy
